79/24/13 Au Co Street, Ward  
14, District 11, HCMC

### // OBJECTIVE

I came from different jobs, but I find myself interested in IT and specifically in the field of Front End Web Developer, I have completed Front End Web Developer and Back End NodeJs courses. I have worked through some small projects during my study days. I wish to become a professional web developer to create cool websites for customers.
